WINTER STREET O SERIES 2014/15 DORKING

Thursday 16th April 2015

This is the 8th and final event of the 2014/15 Winter Street O Series. The format will be, as all the preceding 7 events, a 1 hour score and the final league table will be compiled from the results. The best 4 results from the 8 events will determine the final league positions. After this event there will be a presentation of The MVOC Winter Street O Trophy (pictured) to the overall league leader together with additional prizes to leading male and female competitors.

Please check www.mvoc.org for details of the ongoing series results.

Registration/ Start location: The Lincoln Arms, Station Approach, Dorking RH4 1TF

Parking: small pub car park, more free parking in Lincoln Road (but none in Station Approach).

Public transport: adjacent to Dorking (trains from Victoria, Waterloo, Sutton, Wimbledon, Epsom) & Dorking Deepdene (trains from Redhill, Guildford) railway stations, and bus stop (local services plus 465 from Kingston).

Map produced from OpenOrienteeringMap (<http://oobrien.com/oom/>). Printed on waterproof paper.

Equipment required: Watch; pen or pencil; torch or head torch for later runners (sunset 8pm); SI dibber for a timed start and finish (these can be loaned to those who don't have one).

Entry Fee: £2 to all BOF members, £3 to non-BOF members. Free to Mole Valley OC members and Supporters.

Entry system: There are no pre entries for this event. However, to ensure we print enough maps please register your interest and reserve a map. The pub would like an idea of the numbers eating. Please email the planner at: master <AT> mvoc.org , stating whether you intend to eat.

Starts: Starts between 6.30pm and 7.30pm.

Score Event: "Score" just means that there is no set course. Your map will show a number of controls, but you don't have to visit them all. You get points for each control you do visit, and lose points if you take more than an hour. You write down the answer to a simple question to show you have visited the control.

Safety: Unfortunately BOF public liability insurance does not cover non-British Orienteering Federation members that have taken part in 3 BOF registered events or those under 16 for running on urban streets. Anyone under 16 must be accompanied by a responsible adult. **Dorking contains major roads, please cross with care, even if you lose a few seconds.**

Last minute changes: Please visit the MV Web site before travelling to check for last minute changes or new information about this event. www.mvoc.org

Results: Should be produced on the day and will be available on the club web site as soon as possible

There will be a social and prize ceremony at the pub after the event to which all are welcome.

This event is planned and organised by Ian Ditchfield
