

MVOC Winter Urban Series & KNC event – LEATHERHEAD - Oct 16th – RESULTS

Thank you to those KNC competitors for making the long trek to Leatherhead. I hope you enjoyed your trip to the wild West! Congratulations to Tom Davies for his well deserved victory.

Those with equal scores have been given equal status so that a faster time has not been given any precedence. However times were recorded and the KNC co-ordinator will be provided with them to determine KNC league positions published by him elsewhere.

The MVOC league competitors positions will be published separately as will the updated MVOC Winter Street O league positions after 2 events.

The next MVOC Winter Street event will be held at STONELEIGH on November 20th
