This is the 4th event of a series of 8 winter evening Street Orienteering events MVOC are organising on a monthly basis from September to April. Each event will be a 1 hour score event and a league table will be compiled from the results of each event as they proceed. The best 5 results from the 8 events will determine the final league positions. Please check www.mvoc.org for details of the other events in this series.

Score Event: "Score" just means that there is no set course. Your map will show a number of controls, but you don't have to visit them all. Last minute changes: Please visit the MV Web site before travelling to check for last minute changes or new information about this event. www.mvoc.org

Results: May be produced on the day and will be available on the club web site as soon as possible

There will be a social at the pub after the event to which all are welcome. Food available all evening.
