## WINTER STREET O SERIES 2015/16 DORKING Tuesday 19<sup>th</sup> April 2016

This is the 8<sup>th</sup> and final event of the 2015/16 Winter Street O Series. The format will be, as all the preceding 7 events, a 1 hour score and the final league table will be compiled from the results. The best 5 results from the 8 events will determine the final league positions. After this event there will be a presentation of The MVOC Winter Street O Trophy (pictured) to the overall league leader together with additional prizes to leading male and female competitors.

Please check [www.mvoc.org](http://www.mvoc.org) for details of the ongoing series results.

**Registration/ Start location:** Red Bar & Lounge (pub), Dene Street, Dorking, RH4 2DW. Please note that vehicles may not access Dene Street directly from High Street.

**Parking:** small pub car park, adjacent small public car park (free from 6pm), street parking & other public car parks nearby.

**Public transport:** Dorking (Deepdene) 1km (trains from Guildford & Redhill), Dorking station 1.2km (trains from Waterloo & Victoria), "White Horse" bus stop 200m (local buses & 465 from Kingston).

**Map** produced from OpenOrienteeringMap (<http://oobrien.com/oom/>). Printed on waterproof paper.

**Equipment required:** Watch; pen or pencil; torch or head torch; SI dibber for a timed start and finish (these can be loaned to those who don't have one), whistle to summon assistance if required. Light coloured or Hi-viz clothing is recommended for safety.

**Entry Fee:** £2 to all BOF members, £3 to non-BOF members. Free to Mole Valley OC Members and Supporters.

**Entry system:** There are no pre entries for this event. However, to ensure enough maps are available, please register your interest and reserve a map. To do this please email the planner at: [ditchi56-bof@yahoo.co.uk](mailto:ditchi56-bof@yahoo.co.uk)

**Starts:** Starts between 6.30pm and 7.30pm. Sunset 8:05 so early starters won't need a torch.

**Score Event:** "Score" just means that there is no set course. Your map will show a number of controls, but you don't have to visit them all. You get points for each control you do visit, and lose points if you take more than an hour. You write down the answer to a simple question to show you have visited the control.

**Safety:** Unfortunately BOF public liability insurance does not cover non-British Orienteering Federation members that have taken part in 3 BOF registered events or those under 16 for running on urban streets. Anyone under 16 must be accompanied by a responsible adult. Light coloured or Hi-viz clothing or supplementary illuminated arm bands or similar are recommended for running on the streets at night.

**Last minute changes:** Please visit the MV Web site before travelling to check for last minute changes or new information about this event. [www.mvoc.org](http://www.mvoc.org)

**Results:** May be produced on the day and will be available on the club web site as soon as possible

**There will be a social at the pub after the event to which all are welcome.**

**This event is planned and organised by Ian Ditchfield**
