# WINTER STREET O SERIES 2020/21 ASHTED TUESDAY 8 DECEMBER – SUNDAY 20 DECEMBER 2020

This is the 4th event of a series of 8 winter Street Orienteering events MVOC is organising on a monthly basis from September to April. Each event will be a 1-hour score event and available for competitors to compete in their own time during a multi-day window. Competitors will print their own map and use the free MapRunF app. There will be no physical registration or start and no SI card or writing down clues is required (unless your app/device does not register a control).

A league table will be compiled from the results of each event as they proceed. The best 5 results from the 8 events will determine the final league position. Please check [www.mvoc.org](http://www.mvoc.org) for details of the other events in this series and full details of how to use the app if you have not used it before.
