

Mole Valley Orienteering Club 2023 Summer Series

Nork Park – 1st August 2023

Results

Well done to everyone who took part in the Nork Park and Street event. There were 34 entrants from 5 different clubs, plus a few independent runners. We were pleased to see so many of you turn up to have a go at something a little bit different and the feedback was positive. Despite the weather not being very picnic-friendly it was great to see so many of you chatting and comparing routes after your runs.

We are grateful to the MV members who assisted behind the scenes and on the day with various tasks. Also thank you to Reigate and Banstead Council for permission to use the park, and Nork Community Centre for use of their facilities.

The next event in the summer series is Ashted Common on Tuesday 8th August - [details here](#)

See you there!
