

## Mole Valley Orienteering Club 2023 Summer Series

Oaks Park – 17<sup>th</sup> August 2023

### Results

Well done to everyone who took part in the fourth and final Summer Series event at Oaks Park. There were 24 entrants from 4 different clubs, plus a few independent runners. It was also good to see another wide range of age groups turn up, demonstrating that orienteering can be fun for everyone – you are never too old nor never too young.

We were blessed with the weather on the day, which enhanced the views from the top of the park and made for good underfoot conditions, and maybe influenced the positive feedback received afterwards.

I'd like to extend thanks to those who helped with the organization and running of the event (there are quite a few, so I won't list names), and I should also thank the London Borough of Sutton for permission to use the park.

This event brought a close to the Summer Series but there is plenty to look forward to with the first of the Winter Street O Series being held in Little Bookham on Tuesday 19 September. Keep an eye on the MVOC [website](#) for details.

Looking forward to seeing you there!
