Steve Carle	Organiser				-

For all events in this series, competitors that tie with equal final points are only separated if time penalties are incurred. They are not separated if one competitor is faster than the other unless both sustain time penalties. If 2 or more people tie with time penalties, the person/s with more time penalties will be demoted. If the time penalties are equal they will finish equal.

For the purposes of the league points, team members that share one map will have equal league points but the next placed person will only have 1 less league point rather than 2. Organiser of each event will receive pts equal to their highest score in the series at the end of the series.
