** Unfortunately chose alternate Odds & Evens rather than switching as instructed. First control was even so all other evens were discounted.

ORANGE COURSE – 8 controls

Tiernan McQuaid MV M8 31:15

Daniel Hamid IND M9 40:42

Ronan McQuaid MV M4 46:51

Ralph Scarbrough MV M7 48:15

Hugh Scarbrough MV M5 8:53 (2 controls only, but he did also do the training “corridor” course successfully) so well done to him!

Thank you all for coming with additional thanks to all the mums & dads for shadowing their children. Some people punched the same control on 2 separate occasions so I discounted the 2nd visit. Andrew Hill missed control 14 in case he’s wondering. Congrats to Dan & Peter for visiting all the controls well within time. Others with time to spare could have done equally well. Well done also to Sarah McQuaid who led the ladies home with an impressive total. The next event in the series will be at **Nork Park** on 9th July. See you there. **David Fisher**
