WINTER STREET O SERIES 2023/24 LITTLE BOOKHAM TUESDAY 19th SEPTEMBER

This is the first of a series of 8 winter evening Street Orienteering events MVOC are organising on a monthly basis from September to April. At each there will be 1 hour and 40 minute score* courses available. A league table will be compiled from the results as they proceed. The best 5 results from the 8 events will determine the final league positions. Trophies for the first male competitor and first female competitor will be presented immediately after the final event.

To take part in this event: The preferred method would be by using a smartphone or smartwatch with the **MapRun App** installed so that no written answers will be required. If you do not have a smartphone or smartwatch, either course can be run by completing the control sheet with pen or pencil, but is a much slower process.

To enter: visit <http://www.racesignup.co.uk> where, on the event page, there will be more detailed information available about installing the MapRun course and the event.

Entry Fee: £3 to all BOF members, £5 to non-BOF members. Juniors under 16 are welcome but must be accompanied by an adult and the pairing will be charged the appropriate adult fee (above). Free to Mole Valley OC members and 'Supporters'.
