Further details on mvoc.org in due course.

Format: paper maps and timing via the MapRun app (same as MV winter street-o series): either have a smartphone with you whilst you run, or load the MapRunG app onto a compatible Garmin watch. Details of how orienteering works with this app are [here](#). Using this app makes it easier to run the event on the day.

Entry: Will be on Racesignup.co.uk in due course. Small cost per event to cover map printing, permissions, BOF levy and a donation to the app developers.

Courses: Mostly 1 hour score courses (maximising number of controls in a fixed time limit). One event likely to require more thinking! Where possible, simple linear courses (following controls in a prescribed order) also provided. Start times expected to be 6.30-7.30pm.

Series league: best 3 out of 4 rank results determines series winner.

Meeting point and Après-O: Meeting points in a pub with nearby start.
