Membership numbers have slipped back a bit after last year's bumper crop. We lost 16 members at renewal some moved away others had other commitments. It's particularly sad to see a few juniors leaving but I'm afraid that is the way of it with the range of competing activities available at that age.

Meanwhile we're all getting older. I am aware that Michael White has finally laid down his dibber and won't be renewing next year (but then he is 88!)

Invite your friends to the Street Os and Summer events, great intros to the sport.

Note: These figures do not include Honorary Members (3)
